

# BUILDING YOUR TOMORROW

## Retirement Planning Seminar

**Building Your Tomorrow** is a two day seminar presented to help you and your spouse plan a successful retirement. The program is provided at no cost to you. By attending this program, you will have information to wisely use the benefits provided in your retirement and to feel comfortable about the decisions you make. Though successful retirement involves many issues and decisions, you can be prepared for them with the information in **Building Your Tomorrow**.

The program is scheduled for two consecutive Saturdays from 8:30 a.m. to 4:15 p.m. at the Pension Fund Office, 500 Elm Grove Road.

On the first Saturday morning we will talk about financial planning and benefits from Social Security and Medicare. The second Saturday morning we will talk about Pension Fund benefits. Each Saturday afternoon you will have an opportunity to attend one of two groups with discussions on (1) health care, (2) financial planning, (3) meaningful use of time and (4)

relationships, attitudes and communications. The informal group sessions will provide plenty of opportunity for discussion, questions and exchange of ideas and experiences. Confidentiality of personal information will be respected.

Interpreting services are available for the hearing impaired provided a written request is received on your enrollment form response. To avoid unnecessary expense, if you've requested interpreting services and subsequently find you are unable to attend the seminar, please provide us with 72 hour advance notice.

Attached is an enrollment form. Separate it from this letter, complete it and mail it in the enclosed postage paid self-addressed envelope as soon as possible.

Enrollment means you will be able to attend both Saturdays. If you think you won't be at both Saturdays, please don't register -- wait until the seminar is offered at a time you can attend all sessions. Unless you attend

both Saturdays the program will not be as beneficial to you and someone else will not be able to come in your place. **Space is limited and enrollment is on a first come first serve basis.**
