

BUILDING TRADES UNITED PENSION TRUST FUND

DIRECT DEPOSIT

Direct Deposit of your benefit payment means that your monthly benefit is transferred directly from the Pension Fund to your financial institution, and to the account you specify.

Please fill in **Part A** of the enclosed authorization form and take it to your financial institution. They will complete **Part B** for you.

Return the authorization form to the Pension Fund in the enclosed envelope.

If your completed request is received by the 15th of the month, your next benefit payment will be directly deposited to your account. Your benefit will then automatically be deposited for you on the first business day of each month.

Your check can't be misplaced or lost because it is electronically transmitted to your account. We are sure you will find *Direct Deposit* to be faster, easier and safer than traditional methods of banking.
